

TRAVEL INFO

16TH ANNUAL FIB SEM MEETING

May 22-23, 2024

Kossiakoff Center
Johns Hopkins Applied Physics Laboratory,
11100 Johns Hopkins Road, Laurel, MD

Lodging: <https://www.jhuapl.edu/About/Lodging>

Campus Map: <https://www.jhuapl.edu/About/CampusMaps>

Driving Directions:

Kossiakoff Center: From Johns Hopkins Road, turn right onto Pond Road. The parking is to the lower right, off of Pond Road.

Parking Directions:

Make sure you turn into the Kossiakoff Center parking entrance and not the APL main entrance. The parking entrance is the first right after Montpelier Rd. past the bank.

Please do not park in the Visitor Parking across from the Kossiakoff Center main entrance. Visitor parking spaces around the K-Center are reserved and not for event visitors.

- **To the parking lot (Red route on the map)**

Follow the road towards the K-Center (up on the hill on your left). Take the fork to your right to get to the lower level parking lots.

- **For unloading and loading (Green route on the map)**

If you need to unload large items at the Kossiakoff Center, drive up to the K-Center main entrance and unload your packages. Once you are done unloading, please park in one of the lower level parking lots.
