

17th ANNUAL FIB SEM MEETING

MAY 6 – 7, 2025

Science and Engineering Hall
George Washington University
Washington, DC

ThermoFisher
SCIENTIFIC

The FIB SEM 2025 Meeting will be returning to the Science and Engineering Hall at the George Washington University. We will have two full days of presentations by FIB users and vendors, highlighting interesting new FIB applications and the latest technology.

We are also continuing with our student award program for best oral and poster presentation! Win up to \$500 to cover travel for the meeting (eligible expenses include hotel, food, airfare, rental vehicle/mileage). Please indicate in the registration form if you would like to be considered for an award.

Currently accepting abstracts on:

- Cryo-FIB SEM for biological and materials applications
- Correlative analysis
- 2D & 3D FIB SEM analysis for semiconductor, materials, and biological FIB applications
- Novel specimen preparation approaches
- Novel FIB instrumentation and analytical capabilities

Abstract Submission Deadline: Extended to March 31st, 2025

Abstracts should be 250 words or less in length. Please email your abstracts to fibsem2025@fibsem.net

There is no fee to attend the meeting, and morning caffeine and lunch will be provided! And as usual, there will be a Happy Hour event Tuesday evening (CIRCA at Foggy Bottom).

Visit <https://fibsem.net> for more information.
